About This Content

Fifth Edition Done Rite!

A city in chaos to infiltrate, an ambassador to rescue, and a frozen hell to escape.

Savage battlecries and screams of pain echo through the streets and off the sheer walls that make up the carved stronghold of Forstor Nagar. The cannibalistic troops of The Hungering Legion have breached the gates, and the defenders have been routed.

Trapped in the heart of Forstor Nagar, a devout holy man and ambassador from Ithulandis, the City of Adventure, must be rescued. But the redoubt is cut from the living ice of the Forstorheim glacier, and enemies rip the very life from the inhabitants, only scant hours remain before the alleys are slick with a crimson slush.

Adventurers must cross the invaders' lines to infiltrate the fortress, locate the diplomatic compound and escape with the ambassador before fanged teeth sink into their flesh and the fate of the city is sealed forever. Will they succeed, or just become more corpses for the conquerors' larder

This raucous and harrowing adventure is fully compatible with the 5th Edition of the Worlds most recognizable fantasy roleplaying game and is designed for a group of 8th level characters.
